## Application Part 2

### Required Essay

This section of the application is very important because it tells us why we should consider you for Green Careers Lab. We are looking for students who are excited to learn about careers in urban park and green space management.

TYPE your essay of no more than 400 words below or in a separate document and send it along with your completed application. Feel free to consider these questions when telling us about yourself:

- Why are you interested in participating in this program?
- How do you think you could benefit from this experience?
- What strengths and skills do you have that would help you with this program?
- What careers are you interested in exploring?
- What leadership roles have you held?
- What hobbies or extra-curricular activities do you enjoy?
